

**ORDER NO. 59 / 2 0 2 2**  
**RECTOR OF THE RZESZOW UNIVERSITY OF TECHNOLOGY I. ŁUKASIEWICZ**  
**of June 1, 2022**

**on detailed document requirements regarding entitling foreign candidates to apply for admission to studies at the Rzeszów University of Technology in the academic year 2022/2023**

Based on Article. 23 sec. 1 of the Act of 20 July 2018 Law on Higher Education and Science (Journal of Laws of 2022, item 574, as amended) and § 14 sec. 3 and § 19 para. 4 Resolution No. 51/2021 of the Senate of the Rzeszów University of Technology Ignacy Łukasiewicz of June 30, 2021, on the conditions, mode and date of commencement and completion of recruitment for individual fields of study of the first and second degree in the academic year 2022/2023, the following is ordered:

**§ 1**

A foreign candidate applying for admission to studies at the Rzeszów University of Technology, in addition to the basic documents indicated in Resolution No. 51/2021 of the Senate of the Rzeszów University of Technology of June 30, 2021, is obliged to submit the following documents to the Inter-faculty Admissions Committee within the time limit resulting from the recruitment schedule:

- 1) documents confirming the knowledge of the language in which the studies will be conducted;
- 2) documents confirming good health;
- 3) documents confirming the right to health insurance on the territory of the Republic of Poland.

**§ 2**

The document confirming the knowledge of the Polish language entitling to take up studies conducted in Polish at the Rzeszów University of Technology is considered to be:

- 1) a certificate of completion of a one-year preparatory course for studying in Polish at the B2 level in units designated by the minister responsible for higher education or the Polish National Agency for Academic Exchange;
- 2) a certificate of completion of a one-year preparatory course for studying in Polish at the B2 level in units designated by the minister responsible for higher education or the Polish National Agency for Academic Exchange; at the B2 language proficiency level, issued by the State Commission for the Certification of Proficiency in Polish as a Foreign Language;
- 3) a language certificate or a certificate from a Polish language course at B2 level;
- 4) a certificate of completion of a secondary school in which Polish was the language of instruction or having a positive grade in the subject of Polish language on the matriculation certificate;
- 5) a diploma of graduation with Polish as the language of instruction;
- 6) in justified cases, the candidate may obtain confirmation of the preparation and level of use of the Polish language allowing him/her to undertake studies at the University.

### **§ 3**

The document confirming the knowledge of the English language entitling to undertake studies conducted in English at the Rzeszów University of Technology is:

- 1) a language certificate or a certificate from an English language course at least at the B2 language proficiency level;
- 2) a secondary school leaving certificate in which English was the language of instruction or a grade in English on the secondary school leaving certificate or an IB or EB diploma;
- 3) a diploma of graduation with English as the language of instruction;
- 4) in justified cases, confirmation of preparation and level of advancement of the English language, allowing the candidate to study, can be obtained at the University.

### **§ 4**

A document confirming good health is a medical certificate stating that there are no contraindications for undertaking education at university, issued in a health care facility in the country of study or issued abroad with a translation into Polish.

### **§ 5**

The documents confirming the right to health insurance in the territory of the Republic of Poland are an insurance policy in the event of illness or accidents for the period of education in Poland or the European Health Insurance Card (EHIC). In the event of the absence of insurance, the candidate admitted to studies is obliged immediately, after starting education, to join the insurance in the National Fund Health or present a valid insurance policy. The candidate submits a statement to the Inter-Faculty Admissions Committee to deliver the document on health insurance to the dean's office immediately after starting studies.
